Privacy notice for the school workforce

Under data protection law, individuals have a right to be informed about how the Federation uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals we employ, or otherwise engage, to work at our school.

We, The Dove-Shell Federation, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Barbara Mulvihill (see 'Contact us' below).

- Absence data

- Race, ethnicity, religious beliefs, sexual orientation and political opinions
- Trade union membership
- Health, including any medical conditions, and sickness records

Why we use this data

The purpose of processing this data is to help us run the school, including to:

- Enable you to be paid
- Facilitate safe recruitment, as part of our safeguarding obligations towards pupils
- Support effective performance management
- Inform our recruitment and retention policies
- Allow better financial modelling and planning
- Enable equalities monitoring

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Fulfil a contract we have entered into with you
- Comply with a legal obligation
- Carry out a task in the public interest

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify the school's use of your data.

Collecting this information

While the majority of information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

Personal data is stored in line with our Data Protection Policy. We create and maintain an employment file for each staff member. The information contained in this file is kept secure and is only used for purposes directly relevant to your employment.

Once your employment with us has ended, we will retain this file and delete the information in it in accordance with our Record Retention Policy.

Our Record Retention Policy is available on Pindigo.

Use of your personal information for marketing purposes

Where you have given us consent to do so, the Federation may send you marketing information by e-mail or text promoting Federative events, campaigns, charitable causes or services that may be of interest to you. You can "opt out" of receiving these texts and/or e-mails at any time by clicking on the "Unsubscribe" link at the bottom of any such communication, or by contacting our data protection officer.

Covid-19

We may seek to collect, process and share your personal data in response to the recent outbreak of Coronavirus, which is above and beyond what would ordinarily be done so, about our staff, their dependents and the general public, to ensure their safety and well-being.

The legislative framework supporting data sharing relating to the management of the COVID19 pandemic is the notice under regulation 3(4) of the Health Service Control of Patient Information

Regulations 2002 and it is in the interests of public health that we share information where necessary for the purpose of COVID19 management. Such information will be limited to what is legal, proportionate and necessary, taking into account of the latest guidance issued by the Government and health professionals.
